RETURN PRIVILEGES, POSTAGE and WARRANTIES (see website for complete information):

You have five (5) days from receipt of a pen to return it for any reason. All pens are restored unless specifically noted in the description. **Postage & Insurance are additional.** All pens are shipped insured. For shipments in the US we prefer USPS, and outside the US we prefer Express Mail International. We will of course use other shippers at customer request.

Generally, our pens are warranted for 90 days. Unfortunately, we sometimes cannot restore some modern pens (post-1970) due to lack of parts or inaccessibility to the mechanisms (many modern pen companies manufacture their pens with the plan that no restoration will ever be done). If we can't restore the pen, you *may* still have some recourse through the manufacturer or distributor. We can provide contact information for you on request. Thank you for your understanding.

NIBS: Note: A Semi-Flex nib will flex with moderate pressure. A light hand will see no line variation.

When reading item descriptions, please assume each nib is original for its pen, and is 14K gold, unless otherwise noted.

Somewhat like the Conklin "Crescent-filler" but with a different locking system than the lock ring. After filling, the user locks the mechanism back in place.
